

Season's Greetings!

Friend, one of our former clients, Siobhán Tighe would love to share her story with you...

Dear Friend,

I wanted to let you know that a very special Christmas letter is on its way to you.
It's from one of our amazing former clients, Siobhán Tighe.

Siobhán is sharing her family's story and how ARC supporters have been there for her and her three boys through a very difficult time.

She has also included a small superhero gift from her youngest son, Lorcan, which I know will bring a smile to your face.

Siobhán and her three boys would be so grateful if you could keep an eye out for her special letter in the coming days.

Through their family's toughest times the support of ARC's donor community has helped them experience joy, love, and togetherness. At ARC, we feel so lucky to have such a supportive community.

If you can, please offer your support to another family like Siobhán's today. Your generous gift this Christmas will help make sure no family faces cancer alone.
